

8th International Conference, Exhibition & Partnering
 29th March 2012 Gallery Suite, NEC, Birmingham

Smart Hydrogen & Fuel Cell Power

Hydrogen & Fuel Cell Products for a Low Carbon Future

Hydrogenase
 Algae Farm To Recycle
 CO2 For Bio Hydrogen Airship
 Vincent Callebaut Architectures

Students: £60 + VAT
 Delegates: £150 + VAT

Exhibition Rates
 SMEs/Academic: £250 + VAT
 Larger organisations: £1,000 + VAT
 (All + VAT @ %20)

Programme

08:30	Registration / Tea / Coffee / Exhibitions		
09:00	CLlr Paul Tilsley, Deputy Leader, Birmingham City Council - Welcome		
09:10	Professor Kevin Kendall, University of Birmingham – Chair		
09:20	Plenary: Prof. Dr. Gongquan Sun, Dalian Institute of Chemical Physics, Chinese Academy of Sciences		
09:40	Bert de Calvenaer, FCH JU – 2020 Vision in the EU		
10:00	Nick Rolf, BOC Linde – New Infrastructure for Hydrogen Fuel Cell Cars		
10:20	Jeremy Harrison, EON – Smart Houses with Fuel Cell CHP		
10:35	Thomas Brachmann, Honda R & D – Hydrogen Cars Integrated into Homes		
10:50	Chair Q & A		
11:00	Coffee Break		
11:30	John Turner, Managing Director, Valeswood ETD Ltd – Chair, Going Green with Hydrogen Fuel Cells		
11:35	Plenary: Professor Jack Brouwer, UCA Irvine- Hydrogen from Waste in California		
11:50	Simon Bourne, ITM Power – Advances in Electrolysis for Green Hydrogen		
12:05	David Yorke, First - Practical Experience of the Hydrogen Bus Fleet, London		
12:20	Ben Todd, Arcola Energy – Fuel Cells in China		
12:35	John Price, EADS – Launch of SOFC Project		
12:50	Chair Q & A		
13:00	Lunch	Parallel Poster Session	Parallel International Partnering
13:50	<p style="text-align: center;">Workshops & Partnering</p> <p>1 – Hydrogen Vehicles: Scotland, Midlands, London 2 – CHP for Low Carbon Buildings 3 – China & its Hydrogen & Fuel Cells Future</p>		
15:10	Coffee Break		
15:30	Richard Kemp Harper, TSB – Chair, UK Industry Projects		
15:35	Plenary: John Richmond, TATA Motors – Moving from Electric to Fuel Cell Vehicles		
15:50	John Jostins, Microcab – First Results from Microcab in CABLED		
16:05	Hugo Spowers, Riversimple – The Leicester / Ludlow HFC Car Project		
16:20	Martin Smith, St Andrews – The Scottish Coach Project		
16:35	Steve Perham, Airmax – Integrating Hydrogen Cars on the Web		
16:50	Prof. Robert Steinberger, University of Birmingham – 100 HFC Car Swarm in the Midlands		
17:00	The Annual Hydrogen & Fuel Cells Awards 2012 Reception
