## Smart Hydrogen and Fuel Cell Power International Conference and Brokerage Event, March 29<sup>th</sup> 2012 - National Exhibition Centre, Birmingham, UK

Enterprise Europe Network Midlands invites you to a conference and brokerage event devoted to hydrogen fuel cell technology.

The conference offers unique insights into the political, economic and technological advances associated with this exciting and increasingly commercial sector. Contributions from leading academic and industrial organisations will feature in the programme as well as a number of afternoon workshops focusing on particular projects and case studies.

The brokerage event takes place in the afternoon at the same location and has been designed to complement the main conference offering delegates pre-arranged meetings with potential partners. Last year the brokerage event attracted participants from 9 countries.

### Non-UK clients of the Enterprise Europe Network are offered the following exclusive benefits:

- FREE registration to the conference (normally €175). No limit on the number of individuals from one organisation.
- FREE brokerage event taking place in the afternoon at the same location  
To register and submit a profile:

[www.b2match.eu/fuelcell2012](http://www.b2match.eu/fuelcell2012)

- FREE hotel accommodation for at least 1 night at the Ibis Hotel, Birmingham Airport located just 15 minutes walk from the conference centre (offer limited to a maximum of 2 individuals per organisation)
- Discount on exhibition space

For more information please contact the main organiser, Alex Mauser on +44 2476236440 or email: [a.mauser@coventry.ac.uk](mailto:a.mauser@coventry.ac.uk)
